In tristing facts

In some deserts sand dunes with smooth sand can create mysterious
Music like a patch of sand slides down one of these musical dunes it
Makes sounds Like booming of drums

There are ten deserts in Australia: the Great Victoria Desert, Great Sandy Desert, Tanami Desert, Simpson Desert Gibson Desert, Little Sandy Desert, Strzelecki Desert, Sturt Stony Desert, Tirari Desert, Pedirka Desert.

kalahari

The Therst land

**THESE
PEOPLE
ARE
BUSHMAN
THEY LIVE
IN SOUTH
AFRICA**

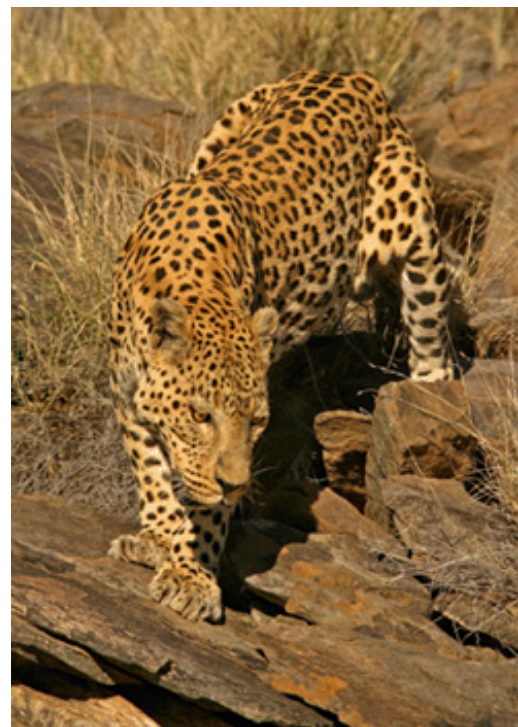

**This is stapelia
It is also called
African starfish
flower
it stinks**

This is a tiger it lives in the thar desert

what do animals do when the sun gets hot

They sit in shade

**It licks its arms to keep it
cool**

It hides in its burrow

**It uses its tale
as a bush**

in the day

In the day it is very hot

in the night

Dering the night it is very cold

The whundifil desert plarnts

**These two
cactisis are
Giyint sugu-
harrue**

**This is a pin cushin
This is desert plarnts
This is a desert rose**

This is a barril cactis

This is a drgon blood tree

This is a quver

at the oasis

This is the aticarma. This is the gobi

This is the araibeyn

worter of the desert

This is the great sandy it jist raind

"Ephemerals," i.e., plants that bloom (provided they receive well-timed rain) and die within a single warm or cold season.

It just raind

This is a rain storm
This is a mud slide

How do you survive in the desert

Why do you need salt in the desert?

You need salt to catch a monkey then give it salt

Then it will lead you to water

SHOES

BANDANNA

HAT

MIRU
